The film is based on the life of Bajirao II (1722-1772), the Maratha King, and his wife Mastani. It is a political love story, based on the marriage of his 17-year-old daughter Kashibai (played by Priyanka Chopra) and a Maratha prince Daulat Rao Scindia (played by Ranveer Singh). The film is the biggest grossing Bollywood film of all time. It was a phenomenal and a blockbuster hit at the box office in India, breaking many box office records and it has earned more than in its first week. Plot The film is based on the life of King Bajirao II of Maratha Empire, an Indian general, and his love with the teenage Maratha princess Kashibai. Kashibai is 17-years-old when she was brought as a young bride to Maratha Empire by her father, the third Maratha king Chhatrapati Shahu (played by Abhishek Bachchan). He presents her to his ally, the Mughal emperor Aurangzeb (played by Aamir Khan) to be his bride. Aurangzeb accepts her marriage to his son Daulat Rao Scindia (played by Ranveer Singh) in the backdrop of the alliance. Before the wedding, Kashibai is presented to the public as the reigning princess of Jaipur. Although Kashibai is betrothed to Daulat Rao, she becomes a symbol of love and happiness in the Maratha Empire. For political reasons, Aurangzeb has to ban the dance of Dashavatharam, which is performed by Marathas. Marathas begin to riot against the order and burn Aurangzeb's army. Meanwhile, Shahu faces political issues in the form of alliance with the Mughals. In order to save his empire, Shahu sends his general Bajirao II (played by Aamir Khan) to raid the Mughal's camp and kill the emperor Aurangzeb. As Shahu's forces attack the Mughal's camp, Daulat Rao manages to save his wife Kashibai. Both of them fall in love during the battle and get married. As a result, the family of Shahu is dethroned and the Marathas begin to rule the Maratha Empire. Cast Priyanka Chopra as Kashibai / 82157476af
